ARMY ORDNANCE

Index to Volume VII

No. 37 (July-August 1926) to No. 42 (May-June 1927) Inclusive

SUBJECT INDEX

Aberdeen Proving Ground, Cadets Make Annual Visit to 458
Aberdeen Proving Ground, Class of '26, U. S. Military Academy, Visits Frankford Arsenal and 58
Aberdeen Proving Ground, Instruments for Making Ballistic Determinations and Some Results Obtained, Part I, at 113
Aberdeen Proving Ground, Instruments for Making Ballistic Determinations and Some Results Obtained, Part II, at 217
Aberdeen Proving Ground, Ordnance Reserve Officers' Training Camp at 162
Aberdeen Proving Ground, The 89
Aberdeen Proving Ground, The (Editorial) 156
Administration of Development Work at Picatinny Arsenal, Organization and 19
Allegheny Arsenal, The Passing of 163
American Industry in Peace and War 94
American Revolution, Part I, The Manufacture of Ordnance in Virginia During the 187
American Revolution, Part II, The Manufacture of Ordnance in Virginia During the 385
American Society for Steel Treating, The 106
American Team for International Matches, 1927 An. 224
Ammunition at Picatinny Arsenal, Loading 40
Ammunition—The Great Defense Problem 354
Ammunition to Be Exchanged, Unserviceable 228
Among the Pioneers at Picatinny Arsenal Powder Factory 8
Annual Report of Maj. Gen. C. C. Williams, Chief of Ordnance, U. S. Army 326
Annual Report of Rear Adm. C. C. Bloch, Chief, Bureau of Ordnance, U. S. Navy 328
Antiaircraft Defense Training 166
Antiaircraft Fire-Control Instrument, New 229
Antiaircraft Progress, 1926 339
A. O. A., Being Organized, Philadelphia Post 235
A. O. A. Offers Prizes to West Point Cadets 371
Armor-Piercing Projectiles with High Explosive Bursting Charges, Filling 39
Army Air Service Given New Title 162
Army and Navy Club of Philadelphia 32
Army Industrial College Course, Four Months Added to 105
Army Industrial College Graduates, Robert S. Brookings Addresses 22
Army Ordnance Association, California Post 321
Army Ordnance Association, Col. Henry L. Stimson, Counsel 407
Army Ordnance Association, Eighth Annual Meeting of the 205
Army Ordnance Association, Elects Officers, California Post 235
Army Ordnance Association, 1927-1928, Officers and Directors of the 194
Army Ordnance Association Trophy 355
Army Service Pistol, "Trigger Pull" of the 166
Army Supply Wagon, New 318
Arsenals Pass Safety Inspection, Ordnance 193
A. S. M. E. to Visit West Point 399
Ballistic Determinations and Some Results Obtained at Aberdeen Proving Ground, Part I, Instruments for Making 113
Ballistic Determinations and Some Results Obtained at Aberdeen Proving Ground, Part II, Instruments for Making 217
Ballistic Research at Marquette University 399
Ballistics, Major Gunther Lectures on 399
Ballistics, New Methods in Exterior 152
Belville Springs, Experiments on 298
Benicia Arsenal, July 11-25, 1926, Reserve Officers' Training Camp 161
Benicia Arsenal—Past and Present 305
Black Powder in Bulk Discontinued, Issue of 166
Bloch, Chief, Bureau of Ordnance, U. S. Navy, Annual Report of Rear Adm. C. C. 328
Bombs and Bomb Fuzes 417
Books 80, 171, 241, 336, 401, 461
Boston Post, A. O. A., Meeting of 71
Brookings, Robert S., Addresses Army Industrial College Graduates 22
Browning, John M., 1855-1926 258
Budget and Fiscal System, Part I, Ordnance 179
Budget and Fiscal System, Part II, Ordnance 358
Buffalo District and Watervliet Arsenal, Meeting of Ordnance Reserve Officers Assigned to 71
Bull, Maj. R. A., to Receive Joseph S. Seaman Gold Medal 450
Business Council Meeting, War Department 296
Cadets Make Annual Visit to Aberdeen Proving Ground and Frankford Arsenal 458
Caliber .22-45 Gallery Practice Pistol 303
California—An Ordnance Asset, The University of 291
California, An Ordnance Reserve Officers' Training Camp in 299
California Manufacturers Association, Industrial Preparedness and the 280
California Post, A. O. A., Officers and Members 322
California Post, Army Ordnance Association 321
California Post, Army Ordnance Association, Elects Officers 235
California, The Ordnance Unit at the University of 293
Camp Lewis, Washington, Ordnance Activities at 319

Captured War Trophy Distribution Prescribed by Congress 124
Caterpillar Tractors 273
Centennial of Fort Leavenworth, The 384
Charges, Filling Armor-Piercing Projectiles with High Explosive Bursting 39
China Arms with Modern Weapons 437
Chromium Plating, Test of 396
Chronograph, Development of Solenoid 227
Cincinnati Post, A. O. A., Holds Annual Meeting 398
Citizens Military Training Camps, National Guardsmen at 74
Civil War, Some Lost Opportunities of the 407
Civilian Staff, Picatinny Arsenal, 1926 7
Class of '26, U. S. Military Academy, Visits Frankford Arsenal and Aberdeen Proving Ground 58
Cleveland Ordnance District, Honored, Col. Frank A. Scott, Ord. Res., Chief 48
Cleveland Ordnance Reserve Officers Visit Erie Proving Ground 72
Commendations for Heroic Conduct 70
Commercial High Explosives 198
Common Defense, The 426
Compensator, The Cutts 347
Complete Rounds (Editorial) 60
Concerning the Measurement of the Rate of Detonation of an Explosive 366
Crews, Col. Ralph 112
Cross-Country Car at Fort Benning, Ga.—Romance Gives Way to Efficiency, The 201
Cross-Country Car, Secretary of War Takes a Ride in an Ordnance 75
Cutts Compensator, The 347
Death of Deport Recalls Secret Development of French 75-mm. Gun 447
Defense, The Common 426
Defense Problem, Ammunition—The Great 354
Demonet, Capt. Charles, Wins Trophy 162
Detonation of an Explosive, Concerning the Measurement of the Rate of 366
Development of French 75-mm. Gun, Death of Deport Recalls Long Secret 447
Development of Solenoid Chronograph 227
Development Work at Picatinny Arsenal, Organization and Administration of 19
District Chiefs Hold Annual Conference, Ordnance 216
DuPont Eliminates Nitroglycerin Powders 397
Early History of Ordnance Department, U. S. A. 457
Editorial 60, 156, 225, 324, 392, 442
Aberdeen Proving Ground, The 156
Complete Rounds 60
Eight Years of Constructive Accomplishment 225
General Tripp 442
Hazen, Nathan 325
"Industrial Preparedness—A World Declaration That We Want Peace and Intend to Have It" 225
Let's Have a Program 324
Lindbergh Points a Moral 442
Ordnance Day, 1926 156
Ordnance on the Pacific Coast 324
Picatinny Arsenal, 1880-1926 60
Picatinny Arsenal Revisited 157
Professor Moulton's Book 157
Reserve Officers 61
Scrutinizing the Ordnance Dollar 226
Springfields vs. Broomsticks 325
Ten Years After: A Reminder 392
Tripp Board Report, The 324
Educational Orders, Secretary of War Submits Bill for 331
Educational Orders, Tripp Board Urges Ordnance 288
Eighth Annual Meeting of the Army Ordnance Association 205
Eight Years of Constructive Accomplishment (Editorial) 225
Erie Proving Ground, Cleveland Ordnance Reserve Officers Visit 72
Experiments on Belville Springs 298
Explosive, Concerning the Measurement of the Rate of Detonation of an 366
Explosive Properties of the Silver Salts of Some of the Nitro-Aromatic Compounds and Silver Oxalate, The 68
Explosives—Past and Present 438
Explosives Plants, Safety in 33
Filling Armor-Piercing Projectiles with High Explosive Bursting Charges 39
Fire-Control Instrument, New Antiaircraft 229
Firms Allocated to the Ordnance Department, U. S. A., in the San Francisco Ordnance District 267
Fiscal System, Part I, Ordnance Budget and 179
Fiscal System, Part II, Ordnance Budget and 358
Fort Benning, Ga., Romance Gives Way to Efficiency —The Cross-Country Car at 201
Four Months Added to Army Industrial College Course 105
Frankford Arsenal, Cadets Make Annual Visit to 458
Frankford Arsenal and Aberdeen Proving Ground, Class of '26, U. S. Military Academy, Visits 58
Fulminate, Kunchel's Discovery of 62
Fuzes, Bombs and Bomb 417
Fuzes—Modern Requirements and the Type of Organization Necessary for Fuze Development Work 27
German Long Range Guns 445
Government Employees, Patent Rights of 77, 334
Gunther, Major, Lectures on Ballistics 399
Hazen, Nathan, Chief Clerk, Office of the Chief of Ordnance, Retires 159
Hazen, Nathan (Editorial) 325
High Explosives 49
High Explosives, Commercial 198
High Explosive Shell Test, Pittsburgh Ordnance Officials Witness 5
Historical 62, 163, 457
Howitzers to be Given Service Test, Pack 397
Inaugural Meeting, St. Louis Post, A. O. A. 333
Industrial Development, Western 259
